ALL PROCEEDS TO ROSE ROAD ASSOCIATION

The Rose Road Association provides vital services for over 300 children and young people with severe physical disabilities, learning difficulties and/or autism from across Hampshire. We offer overnight short breaks, a community outreach service, after school and holiday activity schemes, Saturday clubs and advice and support to families.

At the heart of our operations is the Bradbury Centre which is a nurturing and safe home-from-home where children and young people with profound and multiple learning disabilities can come for short breaks. This respite care gives families the chance to regroup, to relax and to rebalance family life.
