

# LOOK OUT FOR THE WORLD WAR II SPITFIRE FLY PAST AT 13:53

There are 6 Spitfires in the RAF Battle of Britain Memorial Flight, which featured prominently in the flypast for the Queen's Jubilee celebrations in June.

As part of these continuing celebrations Swanmore is very fortunate to have been selected to have our own flypast of one of these iconic aircraft . So, at 13.53, the familiar sound of the Spitfire's Merlin engine should herald a wonderful sight over the Swanmore Fete.
